

SOCIETY FOR INTERNATIONAL DEVELOPMENT WASHINGTON CHAPTER

ABOUT SID-WASHINGTON

SID-Washington is a part of the global SID network which includes chapters and individual members in over 50 countries. SID-Washington is a “global town square” whose mission is to advance equitable development through networking, partnership building, and information sharing on critical ideas, policies, and practices that shape our global future.

SID-W has over 150 institutional members (IMs) that include non-governmental organizations, the private sector, small businesses, universities, multilateral and bilateral development institutions, government agencies, consulting firms, and more. SID-Washington also includes over 400 individual members across various levels who bring cross-sector expertise to our

INSTITUTIONAL MEMBER (IM) BENEFITS

-  Access to international development thought leaders and key policymakers through participation in SID-W Institutional Member events, Monthly Chapter Events, and other members-only events.
-  Highlight your organization’s expertise and build its capacity through involvement in one of SID-W’s many professional Workgroups.
-  Advertise your organization’s upcoming events in SID-W’s weekly e-newsletter, which reaches more than 12K development professionals. Social media promotion to over 27K subscribers is also available.
-  Free individual membership for your employees is provided, allowing key access to all SID-W benefits, livestreaming and annual event discounts on paid programming.
-  Recruit experienced development professionals through the SID-W Annual Career Fair, many career related networking events, and our weekly e-newsletter’s job listings.
